 **MARITIME WORLD**

Malta Maritime Conference & Expo

25 • 27 November 2026 • Valletta, Malta

Following a successful edition, Maritime World returns to Malta, bringing together the companies, government authorities, ports and industry leaders shaping the future of the maritime sector.

Hosted at the Mediterranean Conference Centre in Valletta, the event combines high-level conferences, an international exhibition, strategic networking and exclusive industry experiences in one destination.

Conference Stages:

Strategic Insights & Industry Leadership

Connect with shipowners, ports, policymakers, technology providers, energy leaders and maritime innovators as they discuss the future of **shipping, ports, offshore energy, technology & AI, cybersecurity, superyachts & yachting, sustainability and international maritime regulation**. Through keynote presentations, expert panels and industry discussions, the conference explores the trends shaping the global maritime sector.

Key Discussions Include:

- Maritime policy, regulation and international trade
- Energy transition, hydrogen, LNG and alternative fuels
- Technology, AI and digital transformation across the maritime sector
- Smart ports, infrastructure and global logistics
- Offshore energy, engineering and sustainable maritime innovation
- Cruise, yachting and superyacht development
- Maritime defence, cybersecurity and operational resilience

Beyond the Sessions:

- Unique Networking & Cultural Experiences,
- 3500 exclusive aXendees & 100 expert speakers, 100 Exhibitors
- Private mee+ngs with senior government officials,
- Awards Gala Dinner & exclusive VIP dinner,
- Technical tour of Malta's key mari+me sites,
- Cultural explora+on of Malta's rich mari+me heritage.
